Seven Dogs Soap

hand-crafted artisan all natural

supporting reservation dog rescue

We are a small business crafting all-natural, vegan-friendly aromatherapy soaps for humans that benefit rez dogs in need. A portion of all proceeds goes to support Tails of Love Rescue, our 501c3 that saves reservation dogs on the Fort Apache Reservation.

Why Choose Us?

♥ **JOIN A NOBLE CAUSE:** A portion of our proceeds goes directly to Tails of Love Rescue, assisting in the rescue and protection of the White Mountain Apache reservation dogs.

🌿 **ALL-NATURAL & VEGAN FRIENDLY:** hand-crafted with nature's finest, non-toxic ingredients, ensuring that you, your pets, and the planet stay beautifully radiant.

🌍 **ZERO-WASTE PACKAGING:** Sustainable, recyclable, and designed with love.

Ingredient Benefits:

Our Seven Dogs Soap is carefully crafted through a meticulous hot process method, allowing us to curate a soap base brimming with an array of nourishing ingredients. Let's explore the harmony of ingredients that makes our soap a comforting choice:

OLIVE OIL: A staple in nourishing formulations, olive oil is known for its moisturizing properties, providing a gentle touch to the skin.

COCONUT OIL: Revered for its lathering and cleansing abilities, coconut oil works to help create a soap that offers a rich and luxurious feel.

SWEET ALMOND OIL: Enriched with vitamins, sweet almond oil is commonly used for its moisturizing and soothing potential, giving the soap a smooth glide on the skin.

SHEA BUTTER: Recognized for its moisturizing effect, shea butter adds a creamy texture to the soap, potentially helping to leave the skin feeling soft and nourished.

CASTOR OIL: Known for its hydrating properties, castor oil is a generous contributor to the soap's luscious lather, providing a lush and comforting cleansing experience.

BARK & BREW

Dark Ale Beer Soap

Our Seven Dogs Beer Soap blends unique, rich ingredients for an invigorating bathing experience. Beer, known for its vitamins, minerals, and antioxidants, contributes to a healthy skin feel and a lush lather. The soap features a harmonious mix of essential oils: cinnamon for a warm, comforting scent, cedarwood for its grounding aroma, clove for its invigorating fragrance, and patchouli for a grounding effect. White kaolin clay and oatmeal are added for their gentle cleansing and soothing properties. Together, these ingredients transform your bathing routine into a nurturing and spa-like retreat, catering to both skin and senses.

LEMONGRASS SPLASH

A Scentsational Blend of Tangerine, Lemon, Lemongrass & Patchouli

Revel in the revitalizing embrace of our LemonGRASS Soap, a symphony of citrus essences and nurturing ingredients. Tangerine Essential Oil imparts a sweet, invigorating fragrance, aiming to uplift your spirit. Lemon Essential Oil, celebrated for its fresh and zesty aroma, adds a vibrant scent that helps refresh the skin. Orange Essential Oil contributes a sweet and sunny fragrance, enveloping you in joy, while Lemongrass Essential Oil introduces a revitalizing scent that energizes your bathing experience. The grounding, earthy note of Patchouli Essential Oil offers balance to the lively citrus blend. Enriched with Turmeric Powder and soothing Calendula Oil, the soap lends a caring touch, and White Kaolin Clay provides a gentle cleanse, leaving the skin feeling smooth and balanced. Our Citrus Soap is a harmonious blend designed to offer a joyful and luxurious bathing experience, delighting both the skin and the senses.

WakeUp RUFfreshed

Refreshing Tingly Clean Soap

Our RUFfreshed Soap combines invigorating peppermint, rejuvenating eucalyptus, and purifying tea tree essential oils for a stimulating and refreshing bathing experience. The addition of gentle exfoliating oatmeal, smooth white kaolin clay, and soothing ground nettle leaf enhances the soap's skin-loving properties, leaving your skin feeling soft and revitalized. Each ingredient contributes to a blissful aromatic experience that caters to both the skin and senses.

TailWaggin' Oats

Unscented Oatmeal Soap

Indulge in the gentle embrace of our Unscented Soap, formulated to cater to the most sensitive skin. Oatmeal, known for its soothing properties, offers mild exfoliation, revealing refreshed skin and providing a calming touch. White Kaolin Clay, a gentle cleanser, helps maintain the skin's natural oils, leaving it nourished and soft. The soap's rich base, comprised of olive oil, coconut oil, sweet almond oil, shea butter, and castor oil, is designed to moisturize and gently cleanse, aiming for a soft, hydrated, and comfortable feel. The hot process method incorporating lye ensures a durable bar with balanced pH. Crafted with simplicity, our Unscented Soap is a haven of gentleness, suitable for all skin types, enveloping both humans and fur babies in a soothing

Ingredient Benefits:

Latte to the Rescue

Kauai Coffee & Vanilla Soap

Wake up to the indulgent aroma of "Latte to the Rescue," a soap that artfully blends the rich, energizing scent of Hawaiian coffee with the comforting sweetness of vanilla essential oil. Enhanced with coffee bean oil, this soap not only tantalizes the senses but also aims to invigorate and uplift your spirit. The addition of kaolin clay and coffee grounds provides a gentle exfoliation, leaving the skin feeling smooth and rejuvenated. This aromatic fusion is perfect for a morning pick-me-up or a soothing evening cleanse, offering a luxurious and sensory experience that can help reduce stress and enhance your mood.

PEPPERMUTT BLISS

Peppermint & Spearmint Soap

"Peppermutt Bliss" soap is a refreshing oasis, perfectly blending the invigorating scents of peppermint and spearmint essential oils. This exhilarating combination offers a cooling and revitalizing aromatherapy experience, ideal for awakening the senses and uplifting the mood. Enriched with oatmeal and kaolin clay, the soap gently exfoliates and purifies, leaving skin feeling smooth and refreshed. The addition of nettle leaf adds a touch of natural vibrancy to the mix. Ideal for a rejuvenating morning routine or a soothing post-adventure cleanse, "Peppermutt Bliss" brings a minty freshness that rejuvenates both the body and mind.

hops&hounds

Red Ale Beer Soap

Introducing Hops & Hounds, a uniquely crafted soap that combines the rich, comforting notes of locally sourced Red Ale from Pinetop Brewery with the vibrant energy of Lemongrass, the warm spice of Cinnamon, and the inviting essence of Clove. This unique combination is designed to elevate your mood and provide a sense of warmth and well-being. This special blend is enhanced with the gentle exfoliation of oatmeal and the soft, purifying touch of kaolin clay. Each bar is a tribute to the spirited fusion of hoppy refreshment and aromatic warmth, creating a luxurious and nurturing cleansing experience.

Lavender Love

Lavender & Lemon Soap

Lavender Love, our all-natural hot press soap, is infused with the soul-soothing essence of pure lavender and lemon essential oils. These oils gently embrace you, inducing a state of relaxation and tranquility, making it an ideal choice for unwinding or as a self-care indulgence for your overworked self. Treat your senses to the gentle exfoliation provided by oatmeal, paired with the soft, purifying touch of kaolin clay. Each bar of Lavender Love soap offers a sanctuary from the hustle and bustle of our increasingly busy lives, designed to restore and rejuvenate the very core of your being.

Pawesome Pine

Ever-Clean Pine & Clove Soap

Pawesome Pine returns you to an enchanted forest of fresh, clean smelling scents. Pine essential oil can energize, relieve mental stress, fatigue, anxiety, and improve concentration and memory. Pine essential oil offers a multitude of benefits for skin health, serving as a treatment for various conditions like psoriasis, eczema, and acne, while also providing antioxidant protection against free radicals to promote balanced, smooth, and youthful skin. Clove essential oil serves as a valuable ingredient in all-natural soap formulations, contributing its antiseptic, antimicrobial, and skin-soothing properties, making it effective in promoting overall skin health and cleansing. Treat your senses to the gentle exfoliation provided by oatmeal, paired with the soft, purifying touch of kaolin clay.
